The Monroe Institute Outreach Release and Registration Form

The Outreach Excursion Workshop remains an evolving training program of The Monroe Institute. The Outreach Facilitator(s) retains the right to determine if I may or may not continue with the sessions and Program. If he or she deems me unsuited for continuation in a session or in the whole program, he or she will return the balance of my fee on a pro-rated basis.

In consideration of the mutual benefits which are expected to arise out of the activities in which I intend to engage which are designed by The Monroe Institute, and especially the educational and other benefits which I expect to derive, I release the Outreach Facilitator(s), The Monroe Institute and all related persons, from all claims and demands which I have, or may have, against them by reason of any injury of any nature which I might suffer as a result of such activities. I declare that I enter into these activities voluntarily in an effort to increase my knowledge of the subjects under investigation.

I have read, understand, and agree to the above.
